SPECIAL ENROLLMENT Special Enrollment is a period of time allowed under this Plan, other than the eligible person's Initial Enrollment Period or an Open Enrollment Period, during which an eligible person can request coverage as a result of certain events that create special enrollment rights. Special enrollment events include loss of other group health plan coverage. Also, in the event of marriage, birth, adoption or placement for adoption, you may enroll yourself and your newly acquired Spouse and children for coverage. Coverage will become effective on the date of the event if an application for such coverage is received by the district office within ninety (90) days of the event.

You or your eligible dependents may also have special enrollment rights in this Plan as a result of the loss of eligibility for coverage or becoming eligible for a premium subsidy under Medicaid or a state sponsored Children's Health Insurance Program (CHIP). A request for enrollment must be submitted to the district office within ninety (90) days of loss of such coverage or the date of the Determination Letter advising of the eligibility for premium subsidy issued by either Medicaid or CHIP. You should consult with your local Medicaid or CHIP office regarding rights to the premium subsidy.
